"Seeing a Broadway show live helps people with disabilities grow as individuals and learn new skills." Alex Haunty

Theater Experiences We Enjoyed This Year

Our group saw the Children's Theater of Madison's production of *Peter Pan* on April 2023. It was a more intimate setting and so much fun to see Peter Pan flying above us. We loved being in the theater again!

We also got to see the Broadway show, *The Lion King*, at the Overture Center in Madison WI. What an impactful experience that was for our group! The setting, the theater, the animals, the singing, the cast—it was an outstanding event. Afterwards, we gathered in the Promenade Room for a special afterparty hosted by Ed and Toni Deutschlander.

Changing our Fiscal Year

We are changing our fiscal year to be from July to June (rather than January to December) in order to better sync with local theater schedules. Our goal is to help people with special needs experience the theater and art each year.

Plans for 2024

We are planning to take a group to see the Penguin Project's version of *Shrek the Musical, JR*. The play consists entirely of young actors with special needs, differing abilities and peer mentors. It promises to be

fun and inspiring. We are excited to support a fellow organization in our city that serves those with disabilities and gives them opportunities to shine.

THANK YOU

We thank everyone for their generous donations in 2022 to help give those with disabilities the opportunity to attend the theater and participate in the arts.
